

Be a poet

You have the right to express yourself and we'd love you to be creative and express yourself by writing your own acrostic poem.

What is an acrostic poem?

An acrostic poem is a poem in which the first letter of each line spells out a word, name, or phrase when read from top to bottom.

The word, name or phrase is the subject of the poem.

Watch this [BBC Bitesize video](#) all about acrostic poems.

Now, we'd like you to try your own acrostic poem about children's rights using the word: **RIGHTS**.

See how you get on, and we'd love to see your poem if you would like to share it with us.
